Effective Practices for Young Children:

1. Kids have to _____ (At least one hour per day starting in elementary).
2. Teach kids how to carry out the processes of writing which include:
 - a. _____
 - b. revising
 - c. evaluating
 - d. _____ as they write
3. Students need a basic understanding of the _____ in which they write.
2. Fundamental Writing Skills:
 - a. Handwriting
 - b. _____
 - c. Typing
5. Forming _____, Students need to be able to put their ideas into sentences.

How to Support Students:

1. Help students set _____ for what they are going to write about.
2. Give them opportunities to work together.
3. Give them _____ about their writing, teach them how to give feedback to themselves and to others.
4. Provide the use of _____ such as word processors for typing:

"When students use a word processor over 6 months to a year, their development, as a writer, is much greater than when writing by hand."

BONUS: Set up classrooms that are _____, _____, AND help the students develop as writers.
