

Domain 5: Student Growth Plan

A-1

Instructor _____ Date _____

Administrator _____ School Year _____

Choose 1 or more measurable student growth goals. Use one sheet for each goal.

Planning

- a) Detail the goal:

- b) List the curriculum requirements or standards related to the goal.

- c) Detail how the level of student growth toward the goal will be measured.

- d) Describe the strategies that will be used to reach the goal.

- e) Describe the resources and support needed to reach the goal.

- f) Describe the data that will be used to show how the goal will be met. (Note what national, state, or local assessments will be used, and consider other objective criteria.)

Instructor Initials: _____ Date: _____ Supervisor Initials: _____ Date: _____

Documentation

- a) Attach the required data, and describe what they indicate about goal attainment:

- b) Status of the student growth goal (check which applies)
 Exceeded Met In Progress/ Not Met Due to Acceptable Challenges
 Not Met
- c) If the goal was not reached in full, describe the challenges in reaching the goal, and how they could be overcome in the future.
